Shawn Dawley

INSPIRED LEADERSHIP

Leadership Workshops

Designed for 10-50+, these interactive sessions will improve the self-awareness and interpersonal skills of leaders at all levels.

2-Hour Program

Shawn explores the neuropsychology of leadership and how to understand and respond to a variety of challenges.

4-Hour Program

The foundational elements of the two-hour program PLUS a deeper dive into effective and resilient interpersonal relationships.

8-Hour Program

This all-day program builds on the four-hour workshop and equips leaders with an array of tools to address a spectrum of specific leadership challenges.
